

# Vault

A Safe, secured storage area for your master tapes and film

## Studio Post Can Help

Have you got film or video masters stored in your garage, house or basement? Do you want to store film somewhere else so that you can better utilize your limited office space? We can store all your film and video in a secured storage room with access only by one of Studio Post's friendly Vault staff.

## Why Choose Studio Post's Vault?

- ◆ We provide a safe, temperature and humidity controlled vault for video tape masters.
- ◆ Secured lock up area for boxed film negative and paper files.
- ◆ We offer very competitive rates.
- ◆ Honeywell Security Monitoring System (24 Hours).
- ◆ Computerized inventory.
- ◆ Computerized traffic log.
- ◆ Quick shipping and receiving.

## Security

- ◆ The vault and locked storage area will only be accessible by Studio Post's vault staff.
- ◆ All stored items and information will be kept confidential.
- ◆ Vault staff will only relinquish information or material to the designated signatories on your account.

## We Store

- ◆ Film Elements
- ◆ Audio Tapes (All formats)
- ◆ Video Tapes (All formats)

Storing items in Studio Post's Vault can save you money. How? We have some of the most competitive film storage rates in the country. Plus, we can help you free up valuable in house space.

**Safety film storage only. We do not store Nitrate Film.**
